QUANTAWATER: Essential to overcome poor sleep, fatigue and non-responsive health issues. Provides the ongoing high vibrational harmonic support needed to initially restore and maintain optimal cellular response and communication. This usually occurs within 60-90 days. QW makes the cells feel safe and allows their energy field to function and strengthen.

HARMONY DROPS: This harmonic water catalyst uses a proprietary process to infuse pure harmonic energy patterns into trace minerals. Harmony Drops primarily clear stagnant energies daily from the body and particularly organ systems, allowing full natural response and function. 1 drop on back of hand & rub for 2 seconds.

EP2 Stress Pendant: The EP2 Technology provides maximum protection from the chaos emanating from computers, cell phones, and electrical wiring, as well as the physiological drain on our body from our negative thoughts. The EP2 Stress Pendant can also be used to energize any food or liquid in less than one minute, although longer times are always beneficial.

SELENIUM: Vital nutrient to support and promote heart health and nearly all immune function.

REFRIGERATOR HARMONY EGG: Extend the life of produce and other food and beverages, while enhancing life-supporting energies within the food. Designed specifically for the refrigerator it allows many foods to last two to five times their normal life in the refrigerator, potentially saving hundreds of dollars each year.

PROJOBA OMEGA:

A natural marine lipid concentrate that contains the valuable Omega-3 essential fatty acids, EPA and DHA to support your heart, circulatory, brain and central nervous systems; eyesight, and healthy cholesterol levels.

BEYOND OSTEO-FX:

With bone and joint health becoming an increasing concern, Beyond Osteo-fx was formulated to help support optimal bone and joint health. Beyond Osteo-fx supplies you with more than the daily recommended intake of calcium along with the nutrients needed to enhance calcium absorption by the body.

BEYOND TANGY TANGERINE: Beyond Tangy Tangerine® (BTT) contains a base of Majestic Earth® Plant Derived Minerals® blended with vitamins, amino acids, and other beneficial nutrients to make a balanced and complete daily supplement.
